

Adrian W. J. Fritz

**Global Head of Research,
21Shares**

Adrian Fritz is the Global Head of Research at 21Shares, producing data-driven insight for the digital assets industry. He's also a lecturer for various crypto-related courses at the HWZ Zurich University of Applied Sciences and the Certified Crypto Finance Expert (CCFE). Prior to joining the crypto industry, he worked in traditional finance for many years including management consulting, corporate finance and investment banking.
