

Georg von Wattenwyl,

**Co-Head Structured Solutions,
Bank Vontobel AG**

He brings with him a spectrum of corporate banking and finance experience, beginning his career as a Fixed Income trader at Credit Suisse. In 1998, Georg joined Bank Vontobel and was co-responsible for the development and trading of derivatives products. Several years later, he was put in charge of the global advisory and sales for all financial products. In 2019, Georg was appointed as the Head of Wealth Management Asia and the Chief Executive Officer of Vontobel Singapore. Apart from his role at Vontobel, Georg also held the position of the Chairman of the Board Board of the Swiss Chamber of Commerce and Industry in Singapore (from 2019 to 2023). Back in Switzerland in 2024, Georg assumed the position of Global Head of Structured Solutions Financial Institutions.

Since the end of 2023, he is President of the Swiss Structured Products Association (SSPA), and in March 2024, he was appointed Vice Chairman of the European Structured Investment Products Association (EUSIPA). In these roles, he continues shaping the future of Structured Products by driving transparency initiatives, standardizing market practices, and fostering dialogue with policymakers.

Georg von Wattenwyl is a certified banking specialist and completed the Executive Program at the Swiss Banking School in 2001/2002 and the International Executive Program IEP at INSEAD in Fontainebleau and Singapore in 2007.
