Andrew Peel

Andrew Peel, CEO, Co-Founder and Chair, TVL Capital AG. President of the Solana Research Institute (SRI)

Andrew Peel is CEO and Founder of TVL Capital AG, and Chair and President of the Solana Research Institute (SRI). He was previously Head of Digital Assets at Morgan Stanley, and a Board member at SIX Digital Exchange (SDX), and spent 20 years in trading and client-facing roles at tier-1 Swiss and US banks. His expertise covers digital assets, structured products and strategy, and he is an early-stage investor and advisor across onchain protocols. He has been active in digital assets since 2013, and actively allocating onchain since 2020.
